## Chapter 1 by Guilliana and Rachel

I never really had an interest in school, mostly because it was boring. I mean come on! But, finally, something interesting happened in my school! No... not a murder... it was a bet.

I closed my locker with 3 books in my hand. Then the school's most known athlete passed by my locker. He looked at me then stopped walking. He walked forward towards me and asked, "Wanna make a bet?" "Sure," I answered without even thinking about the question. Neither did I know that there was a secret that Moses, the guy, had. "What's the bet?" I asked once I agreed to the bet. Moses smiled then answered, "You will be my girlfriend if I get a 100 on our next test. If I don't then... your choice." I bit my lip then thought, "Why did I make this bet?"

## Chapter 2 by Rubina Soudagar

'Was he actually asking me to be his girlfriend? Why me? I wasn't the famous girl or something.' "Well then, Let's meet right here after the results are out."

I always kind of liked him. But I never thought he would want me to be his girlfriend. I left school a bit hopeful.

The test were over. I wanted Mos... See more of Story Wars ... hope he did well.

I never expected what happened afterwards.

### Chapter 4 by Rubina Soudagar

I had been holding my breath when the results were being announced. When it was Moses' turn the professor stopped "Someone is been working really hard. I don't know what or how he did this but Moses has got full 100 in his tests."

'Oh my God! Oh my God! What shall I do?' My heartbeats so loud they could have been heard by the class. I slightly turned in my seat. All eyes were on Moses, while his were on me. I didn't know what to do. I just looked down trying not to show any expressions.

Finally the lecture was over. All the time I had the feeling Moses was staring in my direction. I have been having this feeling for sometime now. But today, I was getting restless. I had been praying for the lecture to get over sooner. Finally!

I decided to run through the hallway and hide somewhere till next Lecture. Or should I just bunk school and go home?

Somehow pushing people out of my way I came out of the class to bump into Moses of all people.

### Chapter 5 by Rubina Soudagar

"Sorry" I said Looking everywhere but at him.

He tipped my face upwards to meet his eyes. Smiling he said "I scored 100 in the tests. And we agreed upon something, didn't we?"

"Yes we did."

"So technically we're together now. What class do you have next? I walk you to the room."

"I..." Suddenly I couldn't remember my schedule. I said, "I don't think I am feeling alright I am going home."

"Oh, then I'll drop you off."
